### Staff Spotlight

**Reading Specialist**

#### Interesting Fact

I have two daughters: a 3 year old and a 1 year old.

#### Favorite Book

"Because" by Mo Willems was a favorite in my house during quarantine, and I think kids of all ages will love the story and beautiful illustrations.

#### One thing I want families to know

Reading to your child is the best thing you can do to support their education! Find a fun book to read to them, take turns reading pages, or listen to them read! It doesn't have to be a lesson or anything fancy, just a fun family activity! :)
